

## SERVICE DIRECTORY OPPORTUNITY

### ✚ New Biological Medicine Service Directory

The new **International Biological Medicine Service Directory** helps peers and patients find your local services. The listing also adds cross-referral resources required for providing effective Paracelsus Clinic home care. *No directory fees!*

2021 marks the start of advancing our Academy and Partner benefits for the common education and service mission. We want our list to include *YOU* and all of our **Biomedicine Academy Members** in the 22 countries.

Help patients and peers connect to find your services. Send to: [terry@swissbiomedicine.com](mailto:terry@swissbiomedicine.com)

Please provide contact and services information here:

<b>First Name:</b>		<b>Last Name:</b>	
<b>Business Name:</b>		<b>Address:</b>
